CIRCULAR

Dear Parents,
Greetings to all!

Indian School Sur aims at developing a niche in students to explore different areas of interest, boost self-confidence, build leadership skills – all while having fun!

“ABILITY is what you’re capable of doing. MOTIVATION determines what you do. ATTITUDE determines how well you do it.”

For the overall development of a child, the school offers invaluable opportunities to grab a chance to excel at the intra-school level performances. Keeping this in mind, various competitions have been planned to explore the innate talents of the students and support exceptional progress in their personality development.

Two rounds of co-curricular activities have been completed successfully (Literary and Art events). A few more performing events are planned for January-2022. All the events will be non-competitive, and students will be graded according to their performances with A+(outstanding), A(very good), B+(good) and B(average).
