The Launch of School Website!

Dear parents and students

Greetings from Indian School Sur!

We are glad to announce the launch of our school's new website. The new website is available from September 09, 2022, and the URL is www.indianschoolsur.com

The website, in its new layout and design, is a one-stop solution for all school-related information and services addressing the needs of its stakeholders. Amongst the new features, the website is easy to navigate and contains streamlined content for students, staff and the public.

Please take a moment to navigate our website and share your valuable feedback as we believe **"Perfection is achieved, not when there is nothing more to add, but when there is nothing left to take away"**.

Regards

Dr S Srinivasan
