CIRCULAR

Dear Parent,

Greetings from Indian School Sur!

"You don't have to be great to start, but you have to start to be great." -Zig Ziglar

The primary goal of education is to foster students' holistic development making them confident to face any possible future challenges. The Co-curricular Activities (CCA) organized by the school play a significant role in students' mental, physical and moral growth. For many, participation in these activities helps build their self-esteem, self-confidence, sportsmanship, and leadership skills and promotes a culture of sharing and teamwork.

The CCA events in our school will be conducted throughout the year, covering literary, art & performing art events. Besides, this year, the school offers parents a unique opportunity to become part of the CCA programmes by joining the panel of judges as per their expertise in the field concerned. Interested parents can register their names in the Google Form shared with this circular.

Regards
