## RAINBOW-THE COLOUR OF SKY

*When you look above the sky,*

*You see a place empty, but when you look after a rain,*

*You see it with vibrant colours.*

*The colours in it,*

*All as a vivid river,*

*Glowing in the sky,*

*After the tiny drops of water.*

*The colours that attract us,*

*From a child to an adult,*

*The joy it brings us,*

*Is a treat forever.*

**ANSA JOSEPH – VII B**

# AWESOME ASSAM

A

ssam is one of the beautiful states in Northeast India. The name "Assam" is derived from the Sanskrit word "Asama" meaning "Uneven" which describes the terrain of the region.

Sukaphaa or Chaolung Sukaphaa was the first King of Ahom Dynasty in Assam. Sukaphaa was the founder of Ahom Dynasty which rule Assam for 600 years. Bihu is the main festival of Assam. There are three different types of Bihus. All the three bihus are celebrated during different periods. Among three Bihus Rongali Bihu is the most important as it celebrates the Assamese New Year. Various cultural programs and sports are organized during Rongali Bihu. During this bihu Assamese people light lamps and pray to god for a thriving harvesting season. Kongali Bihu / Kati Bihu is celebrated in the month of October. Bhogali Bihu is celebrated as a harvesting festival. A bonfire is lit for the ceremonial conclusion and prayers to the God of fire.

Assam tea is famous worldwide. It is the largest tea producing area in India. There are five National Parks in Assam. Kaziranga National Park, Manas National Park, Dibru Saikhowa National Park, Nameri National Park, Rajiv Gandhi Orang National Park. Assam is famous for One horned Rhinoceros, Wild water Buffalo, various species of Asiatic birds and Asian Elephants.

Dhola – Sadiya Bridge also referred to as The Bhupen Hazarika Setu is the longest bridge in India over water. The length of this bridge is 9.15 kilometers. Kamakhya Temple is the renowned Goddess of Desire which is situated in the western part of Guwahati.

**DEVANSH BARUAH – 3 A**

# THE ELEPHANT

*The elephant walks,  
Like this and like that.  
He's very tall, and fat!  
He has no fingers, but  
He does have toes, and  
Goodness gracious,  
What a nose he has!*

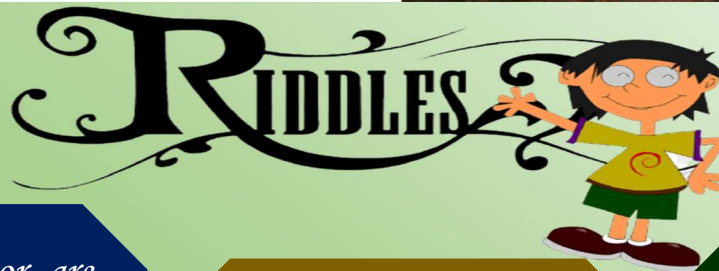

**S. AMSHIKA - 3 A**

# ALMOND

*Oh! My dear almond,  
How beautiful you are!  
Your brown skin attracts  
me.  
I love your white milky  
looks,  
You look like a water drop,  
You make me healthy and  
strong.*

**AADIL KURIAN VARGHESE - 2B**

*A boy and a doctor are  
fishing. The boy is the  
doctor's son. But the  
doctor is not the boy's  
father. Who is the doctor?*

**Ans: - Mother**

*Mrs. Sharma has four  
daughters. Each daughter  
has a brother. How many  
members are there in their  
family including Mrs.  
Sharma?*

**Ans: - Seven**

*A vegetable vendor is  
six feet tall and wears  
nine size shoes. What  
does he weigh?*

**Ans: - Vegetables**

*I never was but always  
will be. No one ever saw  
me but everyone knows  
that I exist. I give people  
the motivation to better  
themselves every day.  
What am I?*

**Ans: - Tomorrow**

*I have seven letters. The  
first two stand for a boy.  
The first three stand for a  
girl. The first four stand  
for a brave boy.*

**Ans: - Heroine**

**SHEZA KULSUM MATEEN - 5 A**

# WHY IS HISTORY IMPORTANT AND HOW CAN IT BENEFIT US IN FUTURE?

History is such a topic that many of us find boring to study or feel it as a waste of time. But there is more to study history than one meets the eye. Let us answer the age-old question: "Why is history important?" History is the story of who we are, where we come from, and can potentially reveal where we are headed. History is important to study because it is essential for all of us in understanding ourselves and the world around us. There is a history of every field and topic, from medicine, to music, to art. To know and understand history is necessary, even though the results of historical study are not as visible, and less immediate. History lets us understand the environment around us.

History gives us a very clear picture of how the various aspects of the surroundings such as technology, governmental systems, and even society worked in the past, so we understand how it came to work the way it is now. It allows us to observe and understand how people and societies behaved. For example, we can evaluate war, even when a nation is at peace, by looking back at previous events. History provides us with the data that is used to create laws, or theories about various aspects of society. It provides us with a sense of identity. This is one of the main reasons that history is still taught in schools around the world. Historians have been able to learn about how countries, families, and groups were formed, and how they evolved and developed over time. When an individual takes it upon themselves to dive deep into their own family's history, they can understand how their family interacted with larger historical change.

# MY ADMIRATION OF NATURE

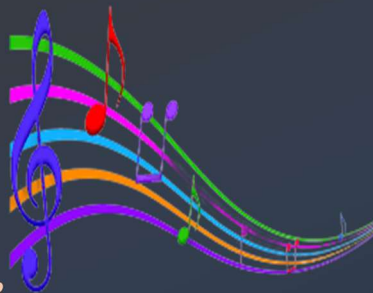

Once I went to a forest with my mom, dad, and sister. It was during my holidays, we just wanted to enjoy the nature. When we reached the place, we found running water. I was excited to jump into the water, but my dad asked us to sit for a while to admire the nature around us. I just listened to the sound of the creatures. The chirping music of the different birds were soothing to the ears. It was lovely to watch the short and tall green trees along with lots of herbs around it. The gentle breeze that touched our skin refreshed us. Oh! "What a lovely place to admire", my sister said. After a while, my dad allowed us to go into the water to play. My sister and I had a good time in the water. We found different kind of fish running here and there, they never fought with each other. We learnt something from the nature, you know what??? They are harmless, they only spread goodness to the humanity. I got an inspiration that we need to protect the nature in order we may live a healthy lifestyle. When it was time to leave, we thanked our parents for such an experience, also we thanked God and Mother Nature for nourishing us.

**ALVINA S.F – 2 C**

Music makes my day,  
Without it I can't stay.  
It hits like a big round rock  
We love it round the clock  
Without it we are lost alone,

We come alive when we hear the sound.  
Music has no beginning and end,  
Like nature and love.  
Music helps us forget our stress,  
Because it makes us happy and fresh.

**FEBA SUSAN SHIBU – 9 B**

# HAVE SOME MATHS

Americans called mathematics as math, arguing that the mathematics functions as a singular noun so math should be singular too. The only Shakespeare play to include the word mathematics is

**'THE TAMING OF THE SHREW!'**

The only number in English that is spelled with its alphabetical order is 'FORTY'.

The word mathematics comes from Greek word 'MATHEMA' which means learning, study and science.

Different names for number '1' Include 'zero', 'naught', 'nil', 'zilch' and 'zip'.

The name zero derives from the Arabic word *SIFR*,

Most of the mathematics intelligent people have more zinc and copper in their hair.

**JANMESH PANDIT - VIII A**

## LET'S HAVE FUN WITH MATHEMATICS

# LOVE ANIMALS

Once upon a time, there lived a girl named Little Nancy. She loved to play with all the animals living in the forest. She also took care of them. She loved the beautiful deer, the most. One day she saw the deer crying. She went to her and asked, "why are you crying?" The deer showed her the hunter who was aiming at the animals. She went up to him and said, "You must not shoot the animals! It is a bad thing to do". The hunter looked at the deer's tears and felt ashamed. Then the hunter threw his gun and said 'sorry' to the deer. He also promised not to hunt the animals again. The deer was saved. Little Nancy felt very happy.

**MAISHA SAFOORA MATEEN – II B**

## Interesting Facts

➤ Bats are living organisms that Coronaviruses cannot attack.

➤ Seahorses, pipefishes, and sea dragons are the only animals where the males are pregnant.

➤ The acid in our stomach is strong enough to dissolve stainless steel.

➤ Hot water freezes faster than cold water

➤ The human brain takes in 11 million bits of information every second but is aware of only 40.

**DHYANESHWARAN  
RAJASEKAR – VI C**

## SCIENCE

- ✓ In an entire lifetime, the average person walks the equivalent of 5 times around the world.
- ✓ An individual blood cell takes about 60 seconds to make a complete circuit of the body.
- ✓ Chalk is made from trillions of microscopic plankton fossils.
- ✓ Some metals are so reactive that they explode on contact with water.

**RITHIKA K.A – VIII B**

# My Hero In White

*Letter to papa on Father's Day,*

*The quality of a father can be seen in the goals, dreams, and aspirations he sets not only for himself but also for his family. Many might be a fan of different types of marvel heroes. But in the realistic word, to me, you are my hero, my love, my idol, support, and someone who I'll always look up to. A man who decides to place his family before himself. A person to whom his family's happiness and security mean the world. Thus in my view there is no other hero who can compete with you, my dear papa. I am very proud to be your daughter, but not just because you are a doctor. I feel like daughter of a soldier. A soldier who protects his motherland from whatever stands in front of him. Just like you who didn't lose hope, kept trying your best to save the patients and stood as a frontline warrior. In these times of the pandemic, all the doctors, nurses and other people in the medical profession are working hard. Sacrificing time with their family and taking a huge risk on their lives and on those of their loved ones. During these tough times too, I see you doing everything that you can do for us. To stay positive and filled with hopes like many fathers is not easy. My father means a world to me. Thanking you for all what you do is not just enough. You are the hero who motivates me, supports me, and loves me in every step of my life. A father's tears and fears are unseen, his love is unexpressed, but his care and protection remain as a pillar of strength throughout our lives. I love you! Papa, because of you this world is a better place. Thank you for being such a wonderful, caring, loving and a sacrificing father. Happy Father's Day Papa!*

*Lovingly,*

**KAREENA KARNANI - XI**

# EUPHORIA

You are the sunlight that rose again in my life  
 A reincarnation of my childhood dreams  
 I don't know what these emotions are  
 Am I still dreaming?

There is a green oasis in the desert  
 A priori deep inside of me  
 I'm so happy, I can't breathe  
 Everything's getting blurry

I hear the ocean from far away  
 Across the dream, past the woods  
 I'm following this clarity  
 Take my hands now  
 You are the cause of my EUPHORIA

**LIBNA JOSEPH- IX B**

# LIMERICKS

Nose, mouth, ear, ear  
 Let's put on a safety gear!  
 Mask on our face  
 Leaving some space  
 We will be happy sure.

There were two friends' a cat and a goat  
 Who wanted to sail on a boat?  
 they started moving to the beach  
 Packing their bags with peach  
 As wearing a long captain's coat

**MOHAMMED NEHAD.S - I C**

# CHILDHOOD

The best stage of life is childhood,  
filled with colors and joy, but  
like how the colour of a gemstone can fade away,  
so does one's childhood.

Childhood is like a season of spring,  
with bursting colours, music and dance.  
When smiles and laughter fill the place,  
it is like heaven on earth.

The moments of childhood are like a faded image in my head,  
a chapter that has closed with time.

This stage should be joyful and musical,  
Not sulky and sorrowful!  
So that when you turn back the pages,  
a few years from now  
it is worth remembering!

**ROSHNA BABY SAJU – X B**

# THE LIFE

*If you ever notice, then you will see  
That life is not the same, don't you think?  
We all are stuck between, the old lives and new  
It's hard, as hard as learning to sew...  
But always remember, the right thing to do,  
Pray to God because he loves you.  
Every single day we know that we're worried,  
Every day there's something wrong.  
No matter what we try, we don't know what's going on.  
But again we feel like the world's a dream, and it's also  
beautiful,  
Let's all be thankful to God, it's absolutely wonderful.  
We know that we all are sad because we can't do many  
things and sometimes we don't even have a heart to  
clearly see things  
Sit beside the window and take a peek,  
The sun shine runs and dances because its heart's filled  
with glee,  
And you will feel like you're free.  
You're free to do anything easily. Just feel your life in  
your heart,  
You know that your heart's not far, from you.*

**NAZMA NAUREEN S – V A**

# A GREAT POLYMATH - DA VINCI

A man full of vision

A man with instinctive imagination

Who spent his life towards invention?

He was Da Vinci.

Playing his lira de braccio

Wearing his fancy mustachio

And planning his futuro

He was Da Vinci.

And someone as insightful as him.

A man with wonders

Tackling the hurdles

Left us with great legacy,

He was Da Vinci.

With a paintbrush in his hand

With ideas in his mind

With a humble, kind heart

He was Da Vinci.

I wish I could be the next Vinci

Someone as great as him,

Someone as wise as him,

Someone as curious as him,

# MY EXPERIENCE PARTICIPATING ON MY FIRST ONLINE COMPETITION.

**I**t was going on well until I got a message in my phone. "An Online singing competition was coming up, so give up your names". I was a little nervous, like I have participated in many competitions, in front of many people, but online! I told my mother I wanted to participate but I was afraid. my mother told me that day that, "we overcome fear when we face it". I gave my name, and started preparing. I chose a song, and learned it. The day of the competition arrived and I got the 7th lot number. I was so surprised, how fast my chance had come up and my mother reminded me "we overcome fear when we face it", and I entered the competition, I was a little nervous, but I sang well. I was so happy that my chance had just finished.

**JYOTHIS IMMANUEL – VIII A**

## आओ समुद्र के पास

आओ समुद्र के पास

जहाँ पानी नीला है

और, छोटी सफ़ेद लहरें

तुम्हारे पास दौड़ती चली आती हैं।

आओ समुद्र के पास

जहाँ ताज़ी हवा तुम्हें बुलाती हैं

बुलाती हैं ये तुम्हें कहीं उस जगह,

जहाँ तुम खोजाओ।

आओ समुद्र के पास

जहाँ एक छोटी-सी लहर

तुम्हारे पैर को छूकर चली जाती हैं

और, तुम बस वहीं स्थिर रह जाते हो।

आओ समुद्र के पास

जहाँ तुम आश्चर्य रह जाते हो

जहाँ तुम सभी परेशानियों को भुला सके

और, सभी परेशानियों को भुला सके।

-- आलिया सरदार इब्रराहिम

# होली का दिन

होली का दिन, होली का दिन

इंतज़ार रहता है मुझे हर दिन हर दिन।

वह पिचकारी, वह रंग, वह पानी के गुब्बारे,

याद आते हैं मुझे वह मेरे दोस्त प्यारे।

सुबह उठते ही शुरू हो जाना,

पापा मेरे लिए थोड़े रंग और ले आना।

गुजिया का स्वाद, गुलाब जामुन की मिठास

काजू कतली की कोमलता और दही भल्ले का स्वाद

याद आते हैं मुझे हर दिन, हर दिन।

दोपहर के बाद जब वह शाम आती,

वह गलियाँ, वह सड़के सब रंगों से महकती।

और फिर शुरू हो जाता सब का यह बताना कि

हैप्पी होली हैप्पी होली

अगले साल जल्दी आना जल्दी आना।

--श्रेयस शर्मा।

कक्षा - 3 B

## भाषा हिंदी

एक भाषा जो सबसे प्यारी, सबको लगती है न्यारी।

हिंदी है यह भाषा, मीठी जैसे लगे बताशा।

वनवासी हिंदी भाषा को, हमें देश में लाना है।

70 साल से चले आ रहे हैं, अंग्रेजी को दूर भगाना है।

हिंदी हमें पढ़ाती है, हिंदी हमें सिखाती है।

हिंदी हमें बताती है, सही राह दिखाती है।

हिंदी हमारी आशा है, हिंदी मातृभाषा है।

हिंदुस्तानी का सम्मान है, हिंदी एक वरदान है।

नित इसका विस्तार करें, हिंदी का सम्मान करें।

हिंदी एक आधार है, इसको नमन हज़ार है।

जीवन में विस्तार है हिंदी, सब विषयों का सार

है हिंदी।

जीवल गुप्ता

# छोटा भैया

प्यार हुआ है पहले दिन से, जब उसको देखा  
डॉक्टर, नर्स सबने बोला “बधाई हो! लड़का हुआ !”  
मेरा सुंदर छोटा भैया नाम उसका अयांश,  
सबसे प्यारा दुनिया में, लेकिन है बदमाश।  
पापा का छोटा बाबू,  
मम्मा का चूहा।  
अपनी दोनों बहनों का वह छोटा-सा टुकड़ा,  
कभी हँसता, कभी रोता, बोलने भी लगा।  
इंतज़ार है कब चलेगा, -- दिमीरा करनानी  
हमारा छोटा भैया ! कक्षा – 5 बी

## ज़िंदगी

पूछा जब मैंने एक दिन खुद से  
अंदर मेरे ये कैसा शोर है,  
खुद के अंदर ने फिर बोला,  
चाहते तेरी कुछ और थी,  
पर तेरा रास्ता कुछ और है,  
छोड़ो यह दुनिया की बातों को  
ध्यान दो अपने आप पर,  
खोल दो सारे पिंजरे  
और उड़ जाओ एक नए स्थान पर।

-- रीदा जावेद  
कक्षा – 9 बी

# भाईचारे का महत्त्व

एक गाँव में दो दोस्त रहते थे। वे बहुत प्रिय मित्र थे, एक का नाम था राम और दूसरे का नाम था राजू। राजू बहुत अमीर था। वह अपनी अमीरी को उनके दोस्ती के बीच कभी न आने देता। राम गरीब था। वह हमेशा यह सोचता था कि कभी ज़िंदगी में वह भी अमीर बन जाए, फिर एक दिन राम ने सोचा कि वह राजू से मदद लेकर अपना खुद का कारोबार शुरू करें। राजू ने राम की मदद की। फिर राम को एक कंपनी खरीदने का प्रस्ताव आया तो उसने कंपनी खरीद ली और यह बात जब राजू को पता चली तो वह बहुत खुश हुआ। उसने राम से कहा, मुबारक हो मित्र, अब खूब तरक्की करना।”

ऐसे ही दो साल बीत जाते हैं। राम भी बहुत अमीर होता है, लेकिन अचानक राजू की नौकरी छूट जाती है। वह राम से मदद के लिए पूछता है, तो वह कहता है “चल, चल, मैं क्या मदद करूँ। तेरी तू खुद कमा, मेरे पास बहुत काम है, चल निकल।” राजू उसे कहता है “जब तुम गरीब थे तब मैंने तुम्हारी मदद की थी फिर तू अमीर बना” राम समझ गया था कि क्या होता है भाईचारे का महत्त्व। राजू ने राम को भाईचारे का महत्त्व समझा दिया था, राम ने राजू की मदद की और उस दिन बाद दोनों राजू और राम खुशी-खुशी अपना-अपना व्यापार चलाते रहे और एक दूसरे के बुरे और अच्छे समय में मदद करते रहे, तो दोस्तों मुझे आशा हैं कि आप सब समझ गए होंगे भाईचारे का महत्त्व।

**--आरोही अजय भाटिया**

# मेरा आज्ञाकारी उपकरण

यह बहुत पतला है

यह मेरे आदेश पर चलता है

यह घुंघराले बालों की तरह चलता है

जब तक मैं थक नहीं जाता तब तक

यह कभी नहीं थकता

यह मेरी नोटबुक की हर पंक्ति को पसंद करता है

जब मैं इसे धक्का देता हूँ

तो यह हमेशा मेरे शिक्षक की आवाज़ को

मेरी नोटबुक में साझा करना पसंद करता है

यह मेरे आदेश पर मेरी नोटबुक में दौड़ता है,

चलता है और कूदता है

यह मेरा पसंदीदा और सबसे आज्ञाकारी उपकरण है

जो मेरे पास है :-अद्भुत पेंसिल

- अयोना फिलिप

# पहेलियाँ

1. पढ़ने में, लिखने में, दोनों में ही मैं  
आता काम,

कमल नहीं कागज नहीं, बताओ क्या है  
मेरा नाम?

जवाब: चश्मा (ऐनक)

2. बेशक न हो हाथ में हाथ,  
जीता है वह आपके साथ।

जवाब: परछाई

3. कभी बड़ा हो कभी छोटा,  
माह में एक दिन मारे गोता।

बताओ क्या ?

जवाब: चाँद

4. कमर बाँध कोने में पड़ी,  
बड़ी सबेरे अब है खड़ी।

जवाब: झाड़ू

5. खड़ी करो तो गिर पड़े, दौड़ी मीलों  
जाए।

नाम बता दो इसका, यह तुम्हें हमें  
बिठाए।

जवाब: साइकिल

# കുസൃതിയായ മാൻ

പഞ്ചവൻകാട്ടിൽ ഒരു കൂട്ടം മാനുകൾ വസിച്ചിരുന്നു.മാൻ കൂട്ടത്തിനിടയിൽ കുസൃതിക്കാരനായ ഒരുമാൻകുട്ടി ഉണ്ടായിരുന്നു.അവനെ നല്ല ശീലങ്ങൾ പഠിപ്പിക്കാനും അച്ചടക്കം പഠിപ്പിക്കുവാനുമായി അമ്മ കുസൃതിക്കാരനായ മാൻകുട്ടിയെ ഗുരുതൃല്യനായ മുതിർന്ന മാനിന്റെ അടുത്തേയ്ക്ക് കൂട്ടികൊണ്ടുപോയി. ആത്മരക്ഷയ്ക്ക് എന്തൊക്കെ വിദ്യകൾ അറിഞ്ഞിരിക്കണം എന്നുള്ള കാര്യങ്ങൾ അവനെ അഭ്യസിപ്പിക്കാൻ തുടങ്ങി.അവനുണ്ടോ ഇത് വല്ലതുംശ്രദ്ധിക്കുന്നു.അവന്റെ ശ്രദ്ധ മറ്റ് കാര്യങ്ങളിലാകുന്നു. ഗുരുപറയുന്ന കാര്യങ്ങൾ അവൻ കാര്യമായി എടുത്തില്ല. ഗുരുവിന്റെയും അമ്മയുടെയും ശ്രമങ്ങൾ വിഫലമായി.

ഒരു ദിവസം അലാസനായ മാൻകുട്ടി കാട്ടിൽ ചുറ്റിത്തിരിഞ്ഞു നടക്കുകയായിരുന്നു.പെട്ടെന്ന് അവൻ ഒരു വേട്ടക്കാരന്റെ കെണിയിൽപ്പെട്ടു.

രക്ഷപ്പെടാൻ അവൻ പലകാര്യങ്ങളും ചെയ്തുന്നോക്കി.പക്ഷേ ഒന്നും ഫലവും കണ്ടില്ല.അപ്പോൾ അവൻ ഗുരുവിനെ ഓർത്തു.ഗുരുവിന്റെ വാക്കുകൾക്ക് ചെവിക്കൊടുക്കാതെ എല്ലാം തമാശയായി കണ്ടുകൊണ്ടാണ് തനിക്ക് ഇങ്ങനെ പറ്റിയതെന്ന് അവന്റെ മനസ്സ് പറഞ്ഞു.

മാൻ കുട്ടി ഉറക്കെ നിലവിളിക്കാൻ തുടങ്ങി.മാൻകുട്ടിയുടെ ദിനരോദനം കാട്ടിൽ മുഴങ്ങി.അമ്മയും ഗുരുവും മാൻ കുട്ടിയുടെ ശബ്ദം തിരിച്ചറിഞ്ഞു ശബ്ദം കേട്ട സ്ഥലത്തേക്ക് ഓടിയെത്തി. ഗുരുവിനെ കണ്ടപ്പോൾ മാൻ കുട്ടി ലജ്ജയോടെ തല താഴ്ത്തി നിന്നു.അവൻ ഗുരുവിനോട് മാപ്പപേക്ഷിച്ചു.ഗുരു അവനെ വളരെപണിപ്പെട്ടുരക്ഷപ്പെടുത്തി.മാൻ കുട്ടി ഗുരുവിന്റെ കാൽക്കൽ വീണ് മാപ്പപേക്ഷിച്ചു. നാളെ മുതൽ ഗുരുപറയുന്നത് അക്ഷരംപ്രതി അനുസരിച്ചുകൊള്ളാമെന്ന് മാൻ കുട്ടി ഗുരുവിനും അമ്മയ്ക്കും വാക്കുകൊടുക്കുന്നു. അങ്ങനെ അനുസരണയുള്ള കുട്ടിയായി മാറി അവൻ.മാത്രമല്ല അന്നുമുതൽ അവൻ അവന്റെ കൂട്ടുകാർക്കും നല്ല കാര്യങ്ങൾ പകർന്നുകൊടുക്കുകയും ചെയ്തു.മുതിർന്നവർ പറയുന്നത് അനുസരിക്കണമെന്ന് ഓർമ്മപ്പെടുത്തുകയും ചെയ്തു.

## كيف أنا .....

كورونا.....

كيف عرفتكَ..؟

علقتني في غرفة..

فارغة من أقرائي..

علقت الأبواب من مدرستي

متى.. أنتظر ... الرجوع الى أصدقائي

كيف أتجول في ميدان العالم

بلا خوف مع أحبائي...

كم من آباء وأمهات

فقدت للإخواني...

أزمة كورونا .....

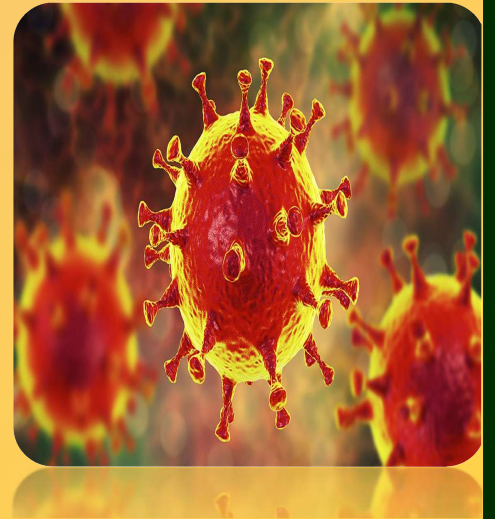

أذكر التاريخ مع الفرح... قبل وصولك..

أرى في المنام في كل وقت...

رجوعك من هذا العالم.

عامر إحسان

# الإنسانية

الطريقة الأكثر شيوعاً لفهم الإنسانية هي التعامل بالحب والرحمة تجاه الكائنات الأخرى. ولكن بينما نتقدم كجنس بشري نحو المستقبل ، فإن معنى الإنسانية ذاته وبكل أسف يتحلل ببطء.

تقاتل الأمم بين الحين والآخر من أجل الحصول على قطع من الأرض باسم الوطنية ، بينما تزهق أرواح الملايين من الأبرياء ، وتُدمر منازلهم وهم عالقون وسط هذه المشاجرات التي لا معنى لها.

الإنسانية لا تقتصر فقط على البشر. كما أنها تهتم بالبيئة والطبيعة وكل كائن حي في هذا الكون.

لذلك ، دعونا نظهر إنسانيتنا من خلال إظهار الامتثال والتغيير عن الاخترام.

والإنسانية كنموذج مثالي لإظهار التعاطف الحقيقي.
