ONLINE VIRTUAL CLASSES ON ZOOM PLATFORM

As per the Ministerial Decision, on 14th March, the school was closed as a precautionary measure to stay safe from the pandemic- Covid-19. On March 15th a meeting was held by the Principal for the teachers to formulate a new teaching plan for the students of classes X and XII. The school began the online virtual classes in mid-March for Classes X and XII. On March 21st a message from the Ambassador of India was circulated to the parents requesting the precautions to be taken on the wake of Covid-19. Videos of innovative, simple easy and interesting lessons and activities to engage the children

in an active way at home were sent. School began online classes for all other classes in the beginning of April in compliance with the directives of the Ministry of Education of the Sultanate and the Central Board for Secondary Education, to upkeep the student learning process during the suspension period and thereby ensuring continued learning regardless of the adverse circumstances. By the end of March 2020 online class coordinators were appointed for all classes. Class Time Table was given to all the classes. From April first week children geared themselves up to explore the tremendous

possibilities of learning away from the classroom atmosphere equipping themselves with the upcoming developments in the world strictly adhering to the norms of the online platform. Covid- 19 took away all the fun we had in school, still we reconnected in virtual platform and classes were resumed. Initially Zoom was the platform to connect and reflect. Zoom sessions witnessed PTMs, exams and webinars. Gradually the online classes were shifted to the Google platform. From August, classes V to XII are attending the sessions on Google Meet.

Fee Concession for all the Students

Considering the financial constraints faced by parents, as per the direction of the Board of Directors of Indian Schools in Oman the school gave a circular informing that only tuition fee would be charged during the pandemic phase till August. It was detailed in the circular signed by the SMC President that fee hike for the academic year 2020-21 would be waived till July 2020. Transport fee would not be charged from April till school resumes regular functioning. Late fee also would not be charged from April 2020 to August 2020. It was intimated that in addition to the concessions announced by the BoD, the School Management Committee would further reduce

25% of tuition fee for the period of 4 months from May to August 2020. Parents were requested to pay only 75% of tuition fees. It was also informed that 50% concession on the tuition fee would be given till the end of the academic term 2020-21 to the student, if the parent or student contract the SARS CoV-2 infection and become covid positive during this academic year. Parents were advised to pay the fee either by using Bank Muscat Mobile App or through CDM facility and send the details to accounts@indianschoolsur.com and for further queries to principal@indianschoolsur.com / info@indianschoolsur.com

Health and Fitness Video instructions:

To keep the students healthy and fit during the lock down days, the Physical Education department created special video lessons comprising fitness exercises and yoga practices. A number of videos with variety of exercises which can be performed comfortably from the house was created by the P.E teachers. These videos were circulated to all the students of our school on regular intervals that motivated many students and parents to perform exercise every day. Many students practise these exercises regularly and that help them to remain healthy, active and fit during this pandemic period.

Art and Craft Training Video:

Videos were sent by the art teacher to help students unleash their artistic skill during their free hours. The students are actively involved in aesthetic art and craft classes held to help them feel relaxed and pleasant. The images of pencil sketches, paintings, craft work done by students were mailed to the art teacher and the librarian.

"Every child is an artist. The problem is how to remain an artist once we grow up"-

Helping Hand Extended:

COVID-19 RELIEF FOR OUR COMMUNITY

Efficient, effective, rapid financial relief for the families facing urgent need and lost income due to COVID-19

The Board of Directors for Indian Schools in Oman with the help of the Indian Embassy, Muscat, took an initiative to distribute Covid relief kits to the needy expatriates. School issued a circular to identify the needy and our school staff volunteered to distribute the kits of essential items the families adversely affected by the loss of employment / income.

Reading Activity & Issue of Library books

Reading gives us some place to go when we have to stay where we are. To let children fly to the world of fantasies, the librarian of our school initiated an activity in the form of Book Review. Read and Be Enriched

was the motto of this activity. On April 28th a circular regarding Book Review Activity was given to the children. PDF of popular classic stories were sent to the students as per their age level. Tips for the Book Review were given by the English teachers. Library books are issued to the students on every Wednesday from 5 pm to 7 pm at the school. The students are expected to send an email to the librarian requesting for the books of their choice.

Online Chess Training and Tournament

To provide a sporting experience during the covid-19 pandemic time, P.E department started giving chess online training, every weekend. We started the training sessions in the month of May and it is conducted on every Friday and Saturday. Initially 30 students registered. Later more number of students joined and at present the training sessions are going on successfully with 80 students. To provide the training efficiently, students are divided in to three groups according to their ability and expertise levels: as beginners, intermediate and

advanced. To develop the competitive spirit, tournaments are organized for different groups on every Friday and Saturday. Students are taking active participation in these tournaments and showcase their spirit and level at the game. All the students are given chess training and guidance by our physical education teacher Mr. Suneesh George. 10 students from our school have joined an international trainer Mr. Sohan Phadke from Pune and are receiving regular training from him.

ART INTEGRATION AND VIRTUAL ART EXHIBITION

Art integration is an integral part of the teaching and learning process. CBSE gives vital importance to this innovative pedagogical methodology to kindle the young minds and develop interest and passion towards artistic and aesthetic activities that eventually groom the minds to be imaginative, creative and innovative. The goal of art integration is to enhance the knowledge of a general subject area while concurrently fostering a greater understanding and appreciation of the fine and performing arts. Students engage in a creative process which connects an art form

and meet evolving objectives . We involve our students in art related activities in their lessons, besides the separate art classes held regularly.

We put up the art work of our students in an art exhibition on 5th September – Teachers' Day. The virtual exhibition gallery was formally opened for the parents and students to view, by the President of the SMC, Mr Mohammed Ameen. A wide array of 100 art and craft products prepared by the students, were put up on the virtual walls of the art gallery. It was novel experience for the viewers.

CCA Literary activities for I to XII

Training sessions are being held on various CCA events as a part of Personality Enrichment Programme, during the off school hours for enhancing students learning experience through fun filled activities.

CCA Activities

Practice sessions are held by the teachers on Co-Curricular Activities between 4 pm and 6 pm.

Primary Classes:

Virtual Parent-Teacher Meet

Virtual Zoom Platform has been efficiently used to build healthy and open interactive sessions between the parents and the faculty. Parents, subject teachers and the principal attended the meetings held class-wise.

The first round of the parent teachers meet was held in May. The parents were given clear ideas on the curricular and co-curricular activities in plan: syllabus completion and evaluation plans.

Points discussed:

- Zoment ERP Digital Diary
- Fee concession plans
- Webinar plans
- Yoga and Fitness Programme
- Counseling sessions for the senior students
- Communication between the parents and school
- Text book- note book distribution
- Doubt Clearing sessions for the students
- Reading activity
- Chess and Quiz activities

In the interactive session with the Principal, the parents enquired about the summer vacation plans and requested for reduced duration of the online classes.

The second round of the parent teacher meet was held for KG to class XII from 6th September to 12th September. The syllabus for the first term exam was conveyed. The parents were given clear guidance on how to monitor their children when they appear for the online examinations. A brief summary of the major co-curricular activities and celebrations held was conveyed to the parents. The Principal reassured support and assistance from the school for the progress of the students and improvement of communication with the parents using the ERP digital diary and the official communication e mail ID : info@indianschoolsur.com and principal@indianschoolsur.com

One to One Interactive Sessions

The class teachers and subject teachers held one to one interactive sessions with the parents of the students of X to XII, twice : in June and August. These sessions give an insight into the strength and weakness of the students in each subject.

Celebrations

Virtual Teachers' Day Celebration

Teachers' Day was celebrated with a great splendor and gaiety. A virtual programme was organized by the students of class XI and XII of Indian school Sur, dedicating an apt tribute to their loving teachers. They put up an array of cultural events – speeches, tribute to Dr. S Radhakrishnan, songs, comedy skit and dances. Mr Mohammed Ameen , the President SMC and Dr .S . Srinivasan , the Principal of the school addressed the teachers and encouraged them to keep up their vigour and dedication to serve the community and the globe.

74th Independence Day Celebration

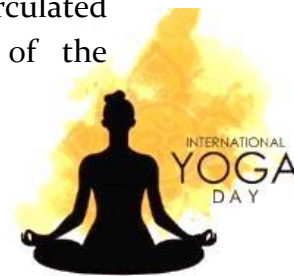

This solemn occasion was celebrated on virtual platform with vigour and enthusiasm by the students of class VIII. Management and faculty along with parents and students witnessed the soul stirring programme on live streaming. . Tableau, skit and patriotic song rendition, truly touched the hearts of the on line audience. The Chief Guest addressed the audience and released the E-Magazine, a platform for supporting young writers to showcase their talents on literary work and art.

International Yoga Day Celebration

Special Yoga sessions were arranged for all the students on the occasion of the International Yoga Day, in June. A large number of students actively participated in the programme. Class 12 & class 8 students created a special video of their yoga demonstration and circulated among all the students of the school.

The prize winners are true representation of everything that we stand for here at Indian School Sur. Our hard working, articulate and dedicated students have brought laurels to our school in academics as well as in various competitions. The pandemic has in no way curbed the talent and enthusiasm of our children. They are coming out with flying colours in all the activities, striving hard to achieve yet more laurels for our institution.

INTERACTIVE AND IMPRESSIVE WEBINAR SERIES

The backdrop of COVID-19 and virtual learning has changed the educational landscape. From building confidence to critical thinking, it's a proven fact that collaboration in learning environments helps students learn valuable skills that are essential to them becoming valued citizens of the future. Keeping this in view, our school provided virtual platform for the students of classes 9 – 12 by holding a webinar competition to keep them motivated and engaged in this ongoing period.

The '**Webinar Series**' was held for three consecutive days for the students of classes 9,10 on 23rd and 24th July and for 11 and 12 on 25th July 2020. It was the first ever virtual event where the students had shown an overwhelming response and great zest to participate in the event. It was indeed a spectacular display of talent and fervour.

17 teams, comprised of 85 students, participated in this event. The participating teams chose one of the given five topics and presented a novel webinar which included verbal presentation along with audio-visual materials. Besides, an interactive session with the judges ignited the inquisitiveness of participants with deeper level of knowledge.

Topics:

- The self -healing process of the Mother earth
- The possibilities of Artificial Intelligence
- Stress Management Techniques
- Transforming learning through E-Platforms
- How to combat the pandemic Covid-19

There were separate panels of esteemed judges with diverse experience and expertise in their respective fields for classes 9, 10,11and 12. Prize distribution ceremony was conducted to felicitate and recognize the winners for their competitiveness. The judges and the audience appreciated the choice of theme, were impressed by the impeccable performance and applauded the participants for the meticulous and innovative presentations. The three day event culminated with vote of thanks to the judges and the audience.

There were separate panels of esteemed judges with diverse experience and expertise in their respective fields for classes 9, 10,11and 12.

Interschool Quiz Competition 2020 is a glorious initiative of the BoD of Indian Schools in Oman. This year it is hosted by Indian School Salalah.

The total number of participants for the same from our school is 257. This Mega event is open to the students of all

Indian Schools across Oman and it will be conducted in four stages: First Prelim, Second Prelim Mega Prelim and Final Quiz. The mega Prelims and Grand Finale will be conducted on Thursday, 8th October 2020 and Saturday 10th October respectively.

TINY TOTS STEP INTO THE MESMERISING WORLD OF ART

Young minds do have a natural inclination towards colours and patterns. The change of learning platform to the virtual world does not stand as a barrier in exploring their creativity. They are provided training and demonstration sessions in art and craft activities on every Thursday, in their classes. Our tiny tots of UKG took overwhelming participation in the art and craft competitions organized for them at the close of September.

Draw and Colour : 23rd Sept 2020

Draw and Fill : 26th Sept 2020

Origami and Art out of waste: 28th Sept

The children were encouraged to enroll in any 2 of the activities of their choice. Almost all the students participated. The number of participants in the respective categories :

Draw and Colour: 70

Draw and Fill: 46

Art out of waste/Origami: 45

The activities were photographed and were forwarded by the parents in Google classroom, and they were later sent to the panel of judges for judgment.

The students enjoyed the event and the entries stand as the proof of the excellent artistic creations right from the imaginations of the young learners, using their tiny hands.

Webinar for the Teachers

Under the aegis of the Embassy of India in the Sultanate, the Board of Directors has been guiding us to participate in a number of webinar sessions and teacher training programmes to provide motivation and guidance to the teachers on making the virtual teaching more effective. A webinar organized exclusively for the teachers in the Indian Schools in Oman, where an interactive session was held with the CBSE examination controller gave a deep insight into the innovations that CBSE is going to introduce on the various aspects of Board examinations.

EVALUATIONS

The school administration and teachers adapted themselves overnight to start the online classes. Thus the students began the online journey from the month of April. One of the major challenges we have been facing in the online – virtual teaching is evaluations.

We have been striving to adapt ourselves to the challenges in our own way to ensure that there is no gap in the education of students.

Within a month of starting the online classes came the next challenge in front of us – How to assess the learning of the students? The answer for this was online assessments.

The planning and implementation resulted in three **Periodic Assessments (June, July & August)** and

the ***First Term Examination for classes III to XII from mid - September.***

Classes I & II also had two Periodic Assessments and the First Term Examination as well.

Special plan for the Board Exam Classes

Sensing the need for one step further preparation required for the students who are going to appear for the CBSE Board examinations this academic year we have started written examinations where the students are expected to write descriptive answers to the Board pattern questions given, and upload the answer sheets.

WE SHINE IN CLASS X CBSE RESULT

The results for class X CBSE board exams were declared by CBSE, New Delhi on 15 July and everyone was excited at Indian School Sur.

Yoga Sessions

Students: Yoga sessions are conducted every day in the morning for the students and staff of our school. Physical Education teacher Mr. Niyas Ali explains various yoga asanas with demonstrations during the lessons. 60 students and teachers are attending the sessions regularly. These sessions help the students and teachers to prevent various health problems, manage anxiety and stress, improve concentration and thinking and maintain healthy body weight.

Teachers:

Yoga sessions are held regularly for the staff, during the off school hours to reduce their anxiety level and to give them the energy to deal with the children in the most efficient and interactive way.

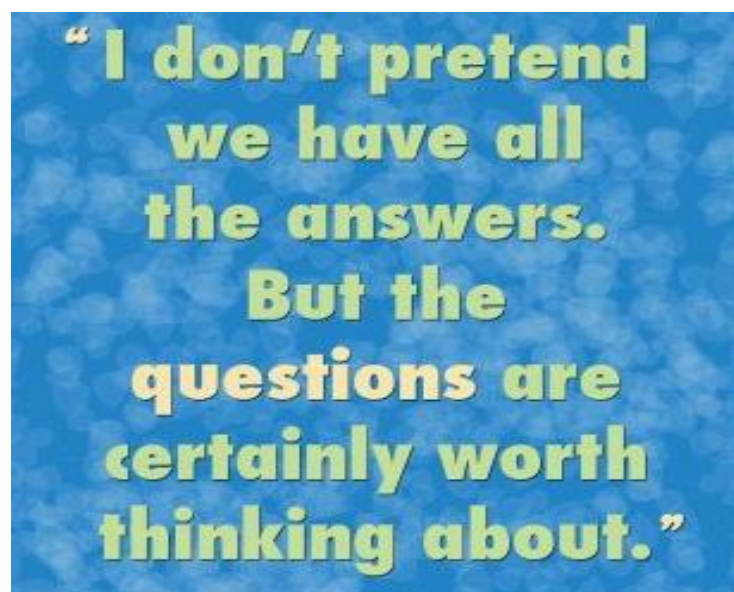

Launching of online quiz club

Introduction of the Online Quiz Club is yet another ingenious idea of assisting children to excel beyond academics and to revive the quiz culture by updating their knowledge in quizzing.

Our ISSUR QUIZZERS group functions regularly with 43 participants. The training sessions are conducted every Tuesday and Saturday from 6:00 pm to 7:00 pm on Zoom

platform. The applications used for the sessions are Kahoot - the game based learning platform and Mentimeter- an interactive presentation platform.

Upcoming Events:

Every activity during school life plays a significant role in the development of the students. Co-curricular activities are essential for all students and they help in enhancing the learning process. These activities are designed and balanced with academic curriculum in such a way that every student gets to learn beyond the framework of academic learning. They are meant to enhance the social skills, intellectual skills, moral values, personality grooming and character appeal in the students.
