Dear Parents,

Greetings from Indian School Sur!

**"Education is the shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations".**

Indian School Sur always believes in teamwork, which motivates us to work together towards a common vision, and imparting education to the students based on the collaborative effort of the teachers, parents, and students. Parents Teachers Meetings play a vital role in generating awareness of the curriculum and in making the parents know how they can strengthen their role in the growth of their children.

Taking this into account, a Parent Teacher interaction is being organized in the school to discuss the academic progress of your ward on Monday, 10<sup>th</sup> October 2022, from 4:30 pm to 7:30 pm. It would be an excellent opportunity for the parents to interact with their respective class teachers and get updated on the progress as well as to get comprehensive feedback of your ward. Please note the day & date. Kindly adhere to the time slot assigned to facilitate a fruitful interaction. The class teacher will share the information regarding the time slot.

"Alone, we can do so little, and together we can do so much".

Regards

Dr S Srinivasan
