CIRCULAR - FEE HIKE

To: The Parents of Kindergarten to Class X Students

Dear Parents,

Greetings from Indian School Sur!

As we prepare for the next academic year, we want to let you know that there will be a revision in the school fee structure. This decision has been made in light of the current inflationary trends, new initiatives, and forward planning of the school. We assure you that it has been made after careful consideration and analysis. Therefore, as per the BOD's authorisation, tuition fees for Kindergarten to Class X will increase by **RO 2/-** per month for the academic year 2023-24 and there will be no change in the tuition fees for classes XI and XII.

Also, as per the directives of the BOD, an amount of RO 10 (Rial Omani 10 only) will be collected per year as a non-refundable infrastructure fund from the academic year 2023-24 onwards. This amount will be collected along with the first month's tuition fee and transferred to BOD.

The Board of Directors has authorized a fee hike of RO 2/ (ref the circular issued on 10/3/2020, circular no.34) to be implemented starting from the academic year 2020-21. However, the management committee opted to delay the decision and provided fee discounts to all the students since everyone was encountering financial difficulties due to COVID-19 pandemic. It is worth noting that there has been no increase in fees for the past eight years.

Indian School Sur is committed to offer the best possible curricular and co-curricular experiences to students year after year. We look forward to your wholehearted support and cooperation.

With warm regards,

Mr. Mohammed Ameen

President, SMC
