CIRCULAR

18.04.2023

Dear Parents,

Greetings from Indian School Sur!

This is in continuation to Circular No. 78, dated 25/03/2023, regarding the proposed nominal fee hike for the academic year 2023-24. Considering the fee-related concerns raised in the parents' meeting held on 8th April 2023, the SMC has decided to reduce the burden on parents by splitting the fee increase into two consecutive years. Therefore, the fee hike will be only RO 1 for this academic year, which will be added to the monthly tuition fee for KG students to Class X for the academic year 2023-24. Further, RO 1 will be added in the next academic year (2024-25).

We inform you that the increase is necessary to maintain the quality of academic services at our school. We have always been committed to keeping our fees as reasonable as possible and will continue to do so. However, we also need your support to maintain the quality of education and resources we provide.

Concerning the tuition fee concession for the academic year 2023-24, parents who meet the eligibility criteria may obtain the requisite form and submit it to the Principal along with the necessary documentation. The school management will procure financial assistance from benevolent individuals and institutions to aid this endeavour without impacting the school's budget.

Regarding the annual non-refundable infrastructure fund of RO 10/-, the school management has forwarded the concerns to the board of directors, whose advice is awaited.

We appreciate your understanding and cooperation in this matter and look forward to your continuous support.

With warm regards,

Mr. Jami Srinivas Rao
President, SMC
