Extending access to evening Music & Art classes

Dear Parents,

Greetings from Indian School Sur!

We are immensely grateful for the enthusiastic response received to our earlier announcement to commence evening art and music classes for students from Classes 1 to 11. As educators, our highest priority is to ensure that the coaching program benefits the maximum number of children.

In this spirit, we extend an open invitation to parents of those children with a passion for art and music but facing financial constraints in enrolling for these classes. We understand that circumstances vary, and we are committed to supporting every student who aspires to participate. Should you find yourself in such a situation, please reach out directly to the Principal's office during regular working hours. We assure you that your application will be treated with utmost confidentiality and sensitivity, and necessary steps will be taken to facilitate your child's participation.

Warm regards,

Dr. S Srinivasan
Principal
