CBSE SCIENCE EXHIBITION 2023-24

The Central Board of Secondary Education (CBSE) has implemented various initiatives to foster curiosity, promote scientific thinking, and develop a sense of responsibility among students. One such endeavour is the organization of the CBSE Science Exhibition. This activity is designed to furnish students with a platform for showcasing the synthesis of knowledge, where they can connect new ideas to existing concepts.

The CBSE Science Exhibition for the academic session 2023-24 will be conducted at Regional and subsequently National Levels between October 2023 and January 2024.

The Theme and Sub-Themes for the Science Exhibition in 2023-24 are:

THEME	SUB - THEMES
Science and Technology for Society	1. Health 2. LIFE (Lifestyle for Environment) 3. Agriculture 4. Communication and Transport 5. Computational Thinking
This exhibition is open in 02 categories: Category I - Junior students of Classes 6-8 and, Category II - Senior students of Classes 9-11	
A school is allowed to register a maximum of two teams , with each team consisting of two students .	
The student/ team project may be- <ul style="list-style-type: none">• an investigation-based study.• application of basic principles of Science and Technology.• a novel solution/ indigenous design to a problem/ challenge	

1. Based on the number of entries received from foreign schools, the Board will endeavour to establish Regional Venue/s in foreign countries.
2. The team winning at the Regional Venue in the Middle East will be required to participate in the National Round in India.
3. The names of the winners of the CBSE National Science Exhibition will be submitted for consideration as entries in the Rashtriya Bal Vaigyaanik Pradarshani, 2023, organized by NCERT. Participation in the exhibition is subject to their selection. Winners may also receive a direct invitation to participate in the Science Exhibition organized by the Initiative for Research & Innovation in Science (IRIS), subject to their selection for it.

Note: Students who wish to participate can complete the Google form registration by October 23, 2023 (Monday). Selection will be made on a first-come, first-served basis.
