Dear parents,

Greetings from Indian School Sur!

As the academic year 2023-24 draws to a close and students eagerly anticipate their final exams, we wanted to take a moment to reflect on some key points and express our heartfelt gratitude for your continuous support and commitment.

Annual Examination

With the exams just around the corner, we strongly advise students to allocate their valuable time for thorough preparation to ensure optimal performance. We kindly urge parents to provide special care and attention to their wards, ensuring that their time is utilized judiciously. Students are encouraged to reach out to their subject teachers for clarification of doubts or any additional assistance needed. The final exams timetable was issued earlier for your reference.

Fee Payment

As we near the conclusion of the academic year, we kindly request parents to settle any outstanding fees and dues for their wards on or before **28-02-2024**. Additionally, please ensure that the **No Due Certificate** is obtained before your ward appears for the final examination.
