Coordination Team - Construction Project-2024-25

Dear Parents,

We are pleased to announce that our enduring dream of constructing a Multipurpose Hall (MPH) with additional classrooms, equipped with modern facilities, is set to begin. The construction company has been carefully selected by the Board of Directors and the School Management Committee, and we are eager to embark on this significant project.

To support this initiative, we are inviting expression of interest from parents of Indian School Sur who possess technical expertise in any field related to construction to join the construction coordination team. We are specifically looking for experienced professionals who are willing to contribute voluntarily. The committee will play a vital role in providing expert guidance and support throughout the construction process.

If you are interested in joining this committee and contributing to this exciting project, please email mph@indianschoolsur.com or contact the undersigned before **August 8, 2024**.

We look forward to your support and participation as we work together to enhance the facilities and learning environment at Indian School Sur.

Warm regards,

Dr S Srinivasan
Principal
