"Tune in to Tomorrow: ISS Launches Student Radio!"

Dear Students of Classes V to XII,

We are pleased to inform you that Indian School Sur is launching an exciting initiative - our very own **School Radio**! This innovative platform aims to enhance students' communication skills, expand their general knowledge, and provide wholesome entertainment for our school community. The School Radio will present a variety of content formats, including news, stories, quizzes, music, and interviews, all created, hosted, and managed by students. This is a wonderful opportunity for those who wish to develop their speaking and broadcasting skills, gain confidence, and become part of an innovative team. Students who are interested in joining this enriching initiative can register their names through the Google Form link provided below. The last date for registration is **December 14, 2024**.

Don't miss this chance to learn, grow, and make your mark with our school's unique Radio venture!

Best regards

Dr. S. Srinivasan

Principal
