Dear parents,

Greetings from Indian School Sur!

As we approach the conclusion of the academic year 2024-25, we take this opportunity to reflect on our journey and achievements. This year, we successfully inaugurated our new playground, a significant milestone in our commitment to enhancing student facilities. Additionally, the construction of the Multipurpose Hall and additional classrooms is progressing steadily, and we anticipate its completion by the beginning of the next academic year. These initiatives are a testament to our ongoing efforts to provide the best learning environment for our students.

Annual Examination

With the final examinations around the corner, we encourage students to focus on systematic preparation and effective time management to achieve their best results. Parents play a crucial role in this journey, and we request your support in creating a conducive learning atmosphere at home. Students are urged to approach their subject teachers for any clarifications or additional guidance. The final examination timetable has already been shared for your reference. We wish all our students the very best in their exams!

New Academic Year 2025-26
