Subject: Nominal Fee Increase from the Academic Year 2025-26

Dear Parents,

Greetings from Indian School Sur!

At Indian School Sur, we are committed to creating the best possible learning environment for our students. Your unwavering support has been essential in helping us improve the school's infrastructure, ensuring that our children receive quality education in a well-equipped and nurturing setting.

We are pleased to announce that our newly constructed playground is now open and being actively used by students, providing them with essential space for physical activities. Additionally, the construction of the Multipurpose Hall and Extra Classrooms is currently underway and is expected to be completed in a few months.

Adding value to student learning experience, the new facility includes a robotics lab, an English Language Lab, and spacious classrooms. Additionally, the facility will offer three badminton courts and designated areas for table tennis and chess. These developments will greatly enhance the overall growth prospects of each child.

As approved by the Board of Directors, subsequent announcement in the recently held SMC-Parents forum, we kindly request your cooperation in implementing a nominal fee increase of OMR 2 starting from the upcoming academic year (April 2025-26) for classes KG to X and there will be no change in the tuition fees for classes XI and XII. This modest increase will significantly support the timely completion of ongoing construction projects and ensure that our students benefit from state-of-the-art facilities.

We greatly value your understanding and support in this effort. Your contribution is essential for creating a brighter and more promising future for our children.

Thank you for your continued trust in our commitment to excellence in education.

Warm regards,

  
Mr. Jami Srinivas Rao  
President
