'Retention of School Dispersal Timing for Secondary & Senior Classes'

Dear Parents,

Greetings from Indian School Sur!

We wish to inform you that the school dispersal time for the Secondary & Senior classes will continue to remain at 1:50 p.m. as followed in the previous academic year. Although this academic year had initially proposed an extension of the school hours to 2:00 p.m., based on feedback received from parents and taking into consideration the practical challenges related to student pick-up and the increasing traffic congestion around the school during dispersal time, the school management has decided to retain the previous timing.

We deeply appreciate your continued support and cooperation in helping us ensure the safety and well-being of our students.

Warm regards,

Dr. S Srinivasan
Principal
