Dear Parents,

"Submission of Student Immunization Cards - Verification by Ministry of Health"

Dear Parents,

Greetings from Indian School Sur!

The Ministry of Health, Sultanate of Oman, has initiated a verification drive to ensure that all students have received the required immunizations. As part of this initiative, the Ministry officials will verify the health cards of all students.

We kindly request you to submit your ward's health card (immunization card) to the respective class teacher on or before 11-05-2025 (Sunday). The vaccination card will have an entry of taking the following vaccines as per their age and class

Name of Vaccine	Classes
OPV (oral polio vaccine) + Dt (diphtheria & tetanus)	Class I
Td (tetanus& diphtheria) vaccine	Class VI
OPV (oral polio vaccine) + Td (tetanus& diphtheria) vaccine	Class XI

If your ward does not possess a health card, the Ministry of Health will arrange for the necessary immunizations and issue a health card for the child.

We appreciate your cooperation in this important health initiative aimed at safeguarding the well-being of all our students.

Regards,

Dr S Srinivasan
Principal
