Unleash Your Summer Spark! Holiday Homework & Fun Ahead!

To: The Students and Parents of Classes I to VIII

Dear Students and Parents,

As the academic year draws to a vibrant close, the Indian School Sur family extends warm wishes for a joyful and refreshing summer break! We've cherished watching our young learners blossom over the past months, and now it's time for new adventures.

The school will close for summer vacation from **Sunday, 8th June 2025**. The last working day for students will be **Wednesday, 4th June 2025**.

This summer, we're excited to blend relaxation with stimulating activities through our specially curated Holiday Homework. It's designed not just as a task, but as a **Summer Spark Kit** to ignite curiosity, creativity, and continue the joy of learning in a fun, engaging way!

Your Summer Spark Kit will encourage you to:

- **Be a Word Wizard:** Dive into storybooks, write your own tales, and expand your vocabulary.
- **Become a Creative Captain:** Draw, paint, craft, and let your imagination set sail!
- **Nurture Your Number Ninja Skills:** Play fun math games and solve puzzles.
- **Explore & Discover:** Observe the world around you, perhaps try a mini-project or learn a new skill.
- **Connect & Share:** Spend quality time with family, help around the house, and share your learning.

Detailed, subject-wise holiday homework will be shared by the respective Class Teachers. We encourage you to approach these activities with enthusiasm and a spirit of discovery!

Remember, Young Explorers:

- **Play is Powerful:** Make time for games, laughter, and free play.
- **Curiosity is Cool:** Ask questions, explore new interests, and learn something new every day.
- **Balance is Best:** Mix your homework with plenty of rest, fun, and family time.
- **Pace Your Progress:** Work on your assignments a little each day to enjoy the process.

To Our Valued Parents:

The greatest adventure is learning alongside your child. Your encouragement is their biggest motivation.

- **Create a Nurturing Nook:** A comfortable, quiet space can make learning enjoyable.
- **Guide, Don't Do:** Encourage independent thinking and problem-solving.
- **Celebrate Effort:** Praise their attempts and the process, not just the perfect outcome.
- **Make Memories:** This holiday is a precious opportunity to bond, explore, and create lasting memories together.

Wishing you all a Happy, Healthy, and Hugely Enriching Summer Holiday!

Dr. S. Srinivasan
Principal
