## *"Textbook Information and Registration for Academic Year 2026-27"*

Dear Parents,

The Board of Directors of Indian Schools in Oman follows a careful and thoughtful process in selecting textbooks for all Indian schools in the Sultanate. This ensures that our students have access to high-quality learning materials, providing them with the best possible educational experience.

For the upcoming academic year 2026-27, the Board has decided to revise and update the textbooks for Balavatika to Class V, and some books for classes VI to XII. A Google link has been provided below, which contains the complete list of textbooks for classes KG to XII, including the titles that have been revised or newly introduced.

As part of our preparation, we request parents to register their interest in purchasing the textbooks through the school. If you choose not to purchase some or all of the books for your child, please indicate this clearly in the form. **It is mandatory for all students to fill out the form to register your interest in buying the books.**

Please complete the form on or before 25/12/2025 to assist the school in planning and arranging the necessary books efficiently.

Your timely cooperation is greatly appreciated.
