Invitation to Parents: Science and Mathematics Week – MOE Event

Dear Parents,

We are pleased to inform you that the Ministry of Education, Sur, is celebrating Science and Mathematics Week on 9th April 2026. Our school has been given the honor of hosting this prestigious event in the New Multipurpose Hall.

This program will provide an excellent platform for students to explore innovative ideas, develop scientific temperament, and enhance their understanding of mathematics through interactive exhibits and demonstrations. Along with hosting the event, our school will also actively participate in the exhibition, where our students will proudly showcase their Mathematics, Science and Art Exhibits.

We cordially invite all parents to visit the exhibition and encourage our students with your valuable presence. Your support will greatly motivate them and make the event even more meaningful.

Parents may visit the exhibition on Thursday, 09.04.2026, during the following timings:

- 11:30 a.m. to 1:30 p.m.
- 5:00 p.m. to 8:00 p.m.

Please note that Thursday, 09.04.2026, will be a holiday for students of Classes I to IV.

Parents are kindly requested to follow the parking advisory during their visit.

Thanks & Regards

Dr. S Srinivasan

Principal
