Commencement of Club Activities - Academic Year 2026-27

Dear Parents and Students,

Greetings from Indian School Sur!

At Indian School Sur, we believe education extends beyond the classroom. Club activities are essential to holistic student development, fostering creativity, critical thinking, teamwork, and leadership. Participation in clubs empowers students to discover their passions, build self-confidence, and develop life skills that will benefit them throughout their lives.

Research consistently shows that students engaged in learning additional skills demonstrate improved academic performance, stronger social skills, and greater emotional resilience. Clubs also foster a spirit of collaboration and community, bringing together students with shared interests to learn, create, and grow.

We are therefore delighted to announce the commencement of club activities for the academic year 2026-27. Please find below the list of clubs available for registration:
