Dear Parents and Students,

The primary objectives of these activities are to provide students with opportunities to:

- Identify and nurture their unique talents and interests
- Develop essential life skills such as teamwork, time management, and discipline
- Enhance their physical, emotional, and social well-being
- Build the self-confidence required to excel in various competitive environments

The CCA calendar runs from **April to October 2026**. To ensure fair competition and age-appropriate participation, activities are categorised as follows:

Category	I	II	III	IV	Sub-Juniors	Juniors	Seniors

To ensure maximum participation and a balanced schedule, all parents and students must read the CCA Rule Book before registering.

Please note the rules on the maximum number of events each student can register for. Following these guidelines is mandatory for valid registration.

We look forward to a vibrant and successful year filled with talent, creativity, and growth. Your enthusiastic support and participation will make this programme a truly enriching experience for all our students.
