Omani Program for Cultural and Scientific Cooperation (For Resident Students)

Dear Parents and Students,
Greetings from Indian School Sur!

The Ministry of Higher Education, Research and Innovation, Sultanate of Oman, through the Higher Education Admission Center (HEAC), invites eligible resident students to apply for the Omani Program for Cultural and Scientific Cooperation for the Academic Year 2026–2027. The programme offers tuition fee scholarships for undergraduate studies at the University of Technology and Applied Sciences (UTAS) to deserving students residing in Oman.

Objectives

- Promote educational and cultural cooperation between Oman and friendly nations.
- Provide deserving resident students with access to quality higher education.
- Encourage academic excellence and professional development.

Eligibility

Applicants must:

- Be residents of Oman with a valid Residence Card.
- Have completed Grade XII (2025–26) from a school in Oman.
- Meet the programme's age and admission requirements.
- Obtain an Equivalency Certificate if they have studied in an international school.

Registration Timeline

Registration: 2–20 August 2026 | **Document Upload:** Until 23 August 2026

Programme Selection: 27 August 2026 | **Admission Results:** 3 September 2026

Eligible students are encouraged to apply through the HEAC portal, carefully select their programme preferences, and complete the registration process before the deadline. Selection is based on merit and programme-specific eligibility criteria. For detailed information, students may refer to the official Student Guidebook attached with this circular or contact the school Career Guidance Cell.

Warm Regards,

Parveen Kumar
