Science, Technology and Innovation (STAI 2026)
Theme: "Future World – Innovate. Integrate. Impact."
Where Young Minds Build Tomorrow

Dear Parents and Students,

Greetings from Indian School Sur!

We are delighted to announce **STAI 2026 – Science, Technology and Innovation**, an exciting platform that brings together science, technology, creativity, innovation, problem-solving and teamwork. The event is being hosted by **Indian School Al Wadi Al Kabir on 23rd and 24th October 2026**.

Students are invited to participate in the various competitions and challenges organised across the following stages:

- **FS – Foundation Stage: Classes I-II**
- **PS – Preparatory Stage: Classes III-V**
- **MS – Middle Stage: Classes VI-VIII**
- **SS – Secondary Stage: Classes IX-XII**

Important: Please Read Before Registering

Students interested in participating are requested to:

- Read the STAI 2026 Handbook carefully before selecting an event. The handbook provides details regarding the events, eligibility, team requirements, rules and other important guidelines.
- Check their eligibility and ensure that the selected event is appropriate for their class/stage.
- Review team requirements carefully for team events and coordinate with all team members before registration.
- Complete the Google Form accurately and completely, ensuring that all personal and participation details are correct.
- Review all entries before submitting the registration form.
- Please note that submission of the registration form does not confirm final

participation. **The final list of contestants will be published after the selection process.** The respective event mentors will contact the selected contestants with further instructions and preparation details.
